

#21 – Building Numbers

Adopted March 1989

Adopted:

All buildings in the Town to display a street number issued by the Building Inspector and displayed in the following manner:

- a. Arabic numerals only, a minimum of three (3) inches high and one half inch (1/2) in width.
- b. The number to be displayed at the side of, or above front door if readily visible from the street, or on a sign or marker at street end of driveway or walk leading to the building.
- c. If the end of the building faces the street, the number to be displayed on the corner adjacent to the front door and readily visible from the street.
- d. For buildings set back from the street or obscured in any way, the number to be displayed on a sign or marker at the street end of the driveway or walk leading to the building.
- e. All apartments, cabins, and other dwelling units are to have on site numbering system, said number to be displayed on or near entrance to each unit.

Penalty for failure to display:

First offense: Written warning with thirty (30) days to correct.

Second offense: Violation and may be fined as provided under RSA 31:39 (supplement).
