

The Rockingham County Conservation District

And

The New Hampshire Natural Resources Conservation Service

Are pleased to announce the following

## RESTORATION Volunteer Opportunity

**When:** Morning or Afternoon 9am-12pm or 1pm-4pm on FRIDAY 10/4 and MORNING 9-12 ON SATURDAY 10/5 (Rye @ Awcomin Salt Marsh)

**Where:** Awcomin Salt Marsh Rye NH – Parking is along Route 1A directly across from Rye Harbor.

**What:** native shrub plantings along salt marsh border; bring long handled shovels, boots, long pants, bug spray, and garden gloves!

**Who:** Tracy Degnan, Conservation Specialist RCCD and Brooke Smart, Resource Conservationist NRCS will coordinate plantings

**Why:** In conjunction with the control of invasive plants located on these conservation lands for the purpose of restoring native plant communities, wetland functions and values and the overall ecosystem health, volunteers will have the opportunity to assist with establishing native shrub plantings and to learn about the local restoration efforts, invasive plant identification and various invasive plant control techniques.

Please RSVP to Brooke at 868-9931 ext. 106 or Tracy 679-2790 x 14 or [rccdted@comcast.net](mailto:rccdted@comcast.net); [brooke.smart@nh.usda.gov](mailto:brooke.smart@nh.usda.gov) by 9/23 Or 9/30
