

Meeting Minutes Telecommunications Committee Friday November 8, 2019

Attending: Howard Kalet, Kathy McCabe, Laura Killarney, Bret Zola, Kim Reed, David Maxson and Selectman Keriann Roman

Howard Kalet

- Review of short-term objectives
 - David Maxson verbiage recommendations for zoning ordinance changes (Cell Tower Overlay District)
 - Committer to review cell tower location recommendations
 - Recommendations needed for 11/11 and 11/25 BOS meeting
 - Committee to include all feasible locations for cell tower placement
- Kim Reed
 - Review of current Rye zoning ordinance in relationship to cell tower overlay district
 - Tax and lot maps provided and reviewed.
- Howard Kalet review of potential locations for cell tower placement
 - Objective is to fill current gaps in coverage with the most logistic locations.
 - Kathy McCabe asked if placement may be made on conservation land. KA Roman answered potential for placement depending upon restrictions.
 - Keriann Roman asked if recommended primary sites would meet current gaps
- Two primary recommendations would meet most of the town's gaps very well.
 - Rye Recreations area (14 Acre site) ideal location as is remote from houses.
 - Howard presented to Rec Commission (two Recreation Rd. residents opposed)
 - 511 Sagamore (currently in overlay district) Committee will need to meet with School Committee for review.
- Secondary locations
 - 76 Wallis
 - Wallis at Seaglass Lane
 - Public Safety Building
 - Back side of Central Cemetery
 - Washington Rd (Vaughn Woods)
 - 204 Locke
 - 0 Lock Rd (Outer Marker) will not be feasible due to historic marker
 - Abeniqui CC location for Rye Beach District. Howard meeting with CC board on 11/21 to assess interest.
- Next Meeting December 13 at 3:00. Rye Public Library
