

Demolition Review Committee
Friday, Oct 30, 2020

Attendance: D. Choate, J. Longtin, E. Sanborn and J. Madden. The meeting/tour commenced at 12:00.

Purpose: Walk Through The Parsonage with other Town committee representatives, Selectman Phil Winslow and Town Administrator Becky Bergeron, and citizen Cathleen Hodson to tour and assess the condition of the building.

The tour guide was Steve Bedard, Bedard Preservation Services, who was able to point out the historical and non historical features of the building.

Phil Winslow passed out a letter from Lisa Mausolf, consultant for the Rye Historic Commission, and whose work had been reviewed by the NH Division of Historical Resources. The DHR felt that the building, while rich with history, had been altered to a point of eroding its original character (this was later refuted by Lisa's boss, Ben Wilson of NHDHR).

No discussion and the tour concluded at 1:00.

Respectfully Submitted,

Elizabeth Q Sanborn
