Please see the Rye Energy Committee's webpage (in the Town of Rye's website). Click the Community Power tab where you can find lots of information and easy links to follow.

2. Question and Answer

Questions from the attendees were discussed and answered. Two concerns expressed concern about the opt-out (vs opt-in) option and what are the risks of a community power program to the town. These concerns will be addressed in the next presentation as well as in the Frequently Asked Questions document.

The next Public Hearing on Rye Community Power will be on 12/9/2 at 7:00 pm at the Rye Junior High School.
