

Rye Energy Committee Meeting Notes

Tuesday, February 6, 2018
6:30-8:00 PM, Rye Public Library

Present: Danna Truslow, Howard Kalet, Michael Joyce, Tom Pfau – called in

Approved January 10 meeting minutes

Welcome to Michael Joyce who has been officially approved by the BOS as a member of the Committee.

Danna Truslow reported the balance of the committee's budget account is \$1,272.39

There was an extended discussion of the list of potential 2018 activities. Danna agreed to update the list for REC members to review.

The first municipal building energy use report has been printed and will be posted in Library lobby. A second report will be prepared mid year.

The residential energy survey will be made available through the REC web page, a link to it will be emailed to town residents. It will remain available until at least the April meeting at which time we will decide whether to continue it or not.

Michael agreed to review the content of the REC webpage with a recommendation for what should be updated or removed.

It was decided that committee members would review the 2012 Municipal Building Energy Audit Reports to determine which recommendations had been implemented. Danna agreed to review the audit of the elementary school, Howard the public safety building and Michael the library.

Danna agreed to draft an article for the Town Newsletter for members to review before publication.

It was agreed the next meeting would be rescheduled to Friday, March 9 at 9:30 AM at the Library.

The meeting adjourned at 7:57 PM.
