

LEGAL NOTICE  
TOWN OF RYE BOARD OF SELECTMEN  
PUBLIC HEARING

Re: Amendment to Existing Pole Licenses

The Rye Board of Selectmen will hold a public hearing on Monday, March 28, 2016 at 6:30 p.m. in the Rye Town Hall on whether it is in the best interests of the public to amend all existing pole licenses, including pole licenses issued to Northern New England Telephone Operations, LLC (d/b/a FairPoint Communications –NNE) and/or Eversource Energy (formerly Public Service Company of NH) and their predecessor entities to include the following language.

“In accordance with the requirement of RSA 72:23, I. (b), this license is granted to the licensee(s) subject to the condition that the licensee(s) and any other entity using, or occupying property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay, all properly assessed real and personal property taxes no later than the due date. Failure of the licensee(s) to pay duly assessed real and personal property taxes when due shall be cause to terminate this license.

In accordance with the requirements of RSA 72:23, I. (b), the licensee(s) hereunder and any other entity using or occupying the property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay, both current and potential real and personal property taxes when due. Furthermore, in accordance with the requirements of RSA 72:23, I. (b), the licensee(s) and any other entity using and/or occupying property of the municipality pursuant to this license shall be obligated to pay real and personal property taxes on structure or improvements added by the licensee(s) or any other using or occupying the property of the licensor pursuant to this license.”

The hearing will also consider whether it is in the best interests of the public to adopt a new application and license form.

Copies of the proposed new application and license form are available from the office of the Board of Selectmen.

Michael J. Magnant  
Rye Town Administrator
