Proposed Zoning Ordinance Amendments

The Rye Planning Board will hold a public hearing on December 9, 2014 at 7:00 p.m. at the Rye Junior High School on two proposed zoning ordinance amendments. Amendment No. 2015-2 proposes to correct an erroneous indexing of the special exception provisions of the Wetlands Buffer restrictions to properly cross-reference Section 301.7. Amendment No. 2015-3 proposes to amend the Illumination Criteria for Sign and Outdoor Advertising of Section 501.4 to allow LED lighting and to make the zoning ordinance lighting requirements consistent with those of the Planning Board Land Development Regulations. Copies of the proposed amendments are posted at the Rye Town Hall, on the Town Website and available from the Planning Office.
