

**LEGAL NOTICE
TOWN OF RYE, NH
REQUEST FOR PROPOSALS & QUALIFICATIONS**

**For Services Associated with Stormwater Management,
Water Quality Protection, and Septic System Improvements**

Parsons Creek Watershed, Rye, NH

The Town of Rye, New Hampshire is soliciting proposals for services associated with stormwater management, water quality protection and septic system improvements for the Parson's Creek Watershed. The goals of this grant-funded project are to provide for enhanced stormwater protection measures and provide for improved septic treatment systems adjacent to Parson's Creek which will include creating a Site Specific Project Plan (SSPP); Implement Demonstration Best Management Practices (BMPs) to Improve Water Quality by providing documentation of BMP installations; Septic System Outreach and Recommendations; Stormwater Education and Outreach Program; and Monitoring bacterial water quality in Parsons Creek watershed

Deadline for receipt of proposals will be no later than **2:00 p.m., Monday, September 17, 2012** in the Planning & Zoning Office, 10 Central Road, Rye, NH 03870 in which they will be opened in a public. Proposals shall be sealed and marked on the outside **"For Services Associated with Stormwater Management, Water Quality Protection, and Septic System Improvements -Parsons Creek Watershed, Rye, NH"**.

To receive a copy of the complete RFP on the Town Website at
http://www.town.rye.nh.us/Pages/RyeNH_DPW/RFP_Stormwater_parsons.pdf.

Any Questions about this RFP/RFQ contact Sally Soule, NH DES Watershed Assistance Section at (603) 559-0032 or sally.soule@des.nh.dov to ask questions and to be put on the e-mail list to receive responses.

The Town of Rye, NH reserves the right to reject any and all proposals for whatever reason is determined to be in the best interest of the Town of Rye.
