

Rye Mosquito Control Commission

AGENDA

May 19, 2020

Attended by:

Location: Tom's office with conference call

Time: 5:00PM

- I. Call to order:
- II. No previous minutes to report
- III. Old Business:
 - 1. Since the February 11th meeting was not convened we will discuss that agenda under old business.
 - 2. Other old business
- IV. New Business:
 - 1. Covid 19 protocols for RMCC. Rule number one I would suggest is to respect each other's requests for precautions. Sarah's preference is to meet via conference calls. I am willing to meet with commission members in my office or via conference calls. My office is not sanitized so people attending in person may opt for gloves, masks and sanitizing wipes. I prefer not to wear mask and gloves but will gladly comply if an attendee makes that request of me. My office is large and safe distancing is feasible.
 - 2. Black stripes on the green head traps to improve efficacy (per Tom) ??
 - 3. Dragon started field work on April 14th.
 - 4. Sarah – implementation of communication with Rye Civic League???
- V. Next meeting date: June 16th at 5:00PM location TBD
- VI. Motion to adjourn

Agendas are subject to change up to and including meeting time.
