Meeting Notes

- Master Plan survey
 - Survey request was sent out to all town committees for completion by 9/17/21
 - Need to review the Rye master plan first on the Rye town site before doing the survey
 - Committee will Review the survey together during the next meeting
 - We will meet on September 14th
- Discussion on Recycling in Rye Elementary and Middle Schools- how to keep children engaged when it comes to recycling
 - Rye Elementary has programs in place for recycling but additional recycling education offered to students may be a great idea
 - Rye Middle School- not sure of the recycling programs in place today- Alex knows the principal and could reach out
 - Turnkey landfill- field trip to Rochester for the Middle Schoolers could be a great learning experience for them
- Swap Shop Discussion
 - Signage in the swap shop could be improved
 - Asking for more volunteers may help
 - Alex/Pam will continue to visit the swap shop during the week to monitor/throw out items
 - Cynthia has been a great volunteer but we could use more
- Newsletter info
 - Joan looking for information for the next newsletter, discussed sharing our thoughts so far on the swap shop and what we have seen so far
