The Vision of the Rye Public Library is to be the cultural heart of Rye by facilitating the free flow of ideas and information for all members of our community

Mission : The Rye Public Library will be a friendly and inviting place providing unrestricted access to an array of materials, programs, and technologies that inform, educate and entertain. We will promote the value of reading and encourage the quest for knowledge and experience to enrich lifelong learning, discovery, and creativity. The Library will be *a mine of good* and a *fountain of help* in the guiding spirit of our original benefactor, Mary Tuck Rand
