**ARTICLE 03.** To see if the Town will vote to amend the Rye Zoning Ordinance in accordance with the recommendation of the Rye Planning Board, as follows:

Are you in favor of the adoption of Amendment 1, as follows:

**Amendment 1** Re: Two Dwellings on One Lot

Amendment to the Rye Zoning Ordinance §190-2.2. D Applicability of use district regulations. as follows: (Note: ***New text emboldened and italicized.*** Deleted text ~~struck through~~).

§190-2.2.D. Lots.

- (1) In the Single Residence and General Residence Districts only, ***except as otherwise expressly permitted in this § 190***, there shall be no more than one principal building on one lot.

(2) Lots with two or more principal dwellings.

(a) A lot which has two or more principal dwellings is a nonconforming use. Notwithstanding any provision to the contrary in Section 190-6.2 and 190-6.3, on such lots with two or more principal dwelling units, the following are prohibited expansions of a nonconforming use and/or non-conforming structure:

[1] Increasing the building footprint of a dwelling.

[2] Enlarging the bulk of a dwelling.

[3] Adding decks, porches or other appurtenances to a dwelling, including roof decks.

[4] Enlarging decks, porches or other appurtenances of a principal building.

(b) This provision applies to all lots which have two or more principal dwellings. ~~including lots having such dwellings in the condominium form of ownership.~~

(c) ***Lots which contain two or more dwelling units and/or structures in a condominium form of ownership pursuant to a condominium conversion authorized under §190- 5.3, shall be deemed to have two or more principle dwelling units on a lot, and no such dwelling unit and/or structure shall be expanded in the manner reflected in §190-2-2(D)(2)(a).***

(d) This provision shall not apply to those properties that have permitted accessory dwelling units or legal apartments.

YES ☐

NO ☐

Explanation  
The amendments to § 190-2.2.D and the amendment to the definition of “Principal Dwelling” under Article XI are intended to clarify that condominium conversions, which is taking multiple existing dwelling units on a single lot and establishing a condominium form of ownership, are permitted in the Single Residence and General Residence Districts if approved in accordance with § 190-5.3. The amendments also clarify, however, that any dwelling units or structures that are subject to a condominium conversion cannot be altered to expand the footprint or bulk of any condominium unit.

Re: Stormwater Management

**Amendment to the Rye Zoning Ordinance §190-5.7.C amend as follows: (Note: New text emboldened and italicized. Deleted text struck through).**

**§ 190-5.7 Stormwater management.**

- A. Purpose. It is the intent of this section to protect, maintain and enhance the public health, safety and environment by regulating building and land development so that surface water drainage from building and land development does not adversely affect adjacent properties, watercourses or the Town's storm drainage system. **[Amended 3-18-2017]**
- B. Drainage onto adjacent properties. No use of land; no construction, reconstruction, alterations, replacement, or expansion of buildings, structures and impervious surfaces; no grading or excavation of the land; and no destruction or alteration of natural vegetation or ground cover shall increase the surface water drainage flowing onto an adjacent property unless a drainage easement allowing such flowage in perpetuity is recorded.
- C. Drainage into watercourses/Town drainage system. No use of land; no construction, reconstruction, alterations, replacement, or expansion of buildings, structures and impervious surfaces; no grading of the land; and no destruction or alteration of natural vegetation or ground cover shall increase the surface water drainage or flowage into existing watercourses or into the Town's storm drainage system ***incumbent upon the applicant to prove via approved engineering plans the Town's storm drainage system has*** unless the Public Works Director determines that the watercourse or drainage system will have the capacity to accommodate the additional flow, ~~both now and in the future.~~
- D. Drainage and grading plan. The Building Inspector may require submission of a detailed stormwater management and erosion control plan which includes a drainage and grading plan at his/her sole discretion and at the expense of the property owner whenever there is construction of a new building/structure, expansion of a building/structure, reconstruction, or changes to the impervious surface or whenever there is question regarding compliance with this section. **[Amended 2002; 3-18-2017]**

Re: Demolition Review

Amendment to the Rye Zoning Ordinance § 190-5.9 Demolition Review amend as follows: (Note: ***New text emboldened and italicized.*** Deleted text ~~struck through~~).

§ 190-5.9 **Demolition review.** [Added 2009, amended 3-12-2-13]

- A. Purpose. The purpose of this section is to encourage the preservation of buildings and places of historic, architectural and community value.
- B. Demolition. For the purposes of this section, the word "demolition" means the act of pulling down, destroying, dismantling, removing or razing a building or part of a building. This shall include a monument, statue, memorial, or accessory building. It does not include interior demolition which does not alter the appearance of the exterior of the building. **[Amended 3-10-2020 by Art.2]**
- C. Demolition subject to review. Any demolition within the Town of Rye, excluding the Historic District, shall be subject to the requirements of this section where: **[Amended 3-10-2020 by Art. 3; 7-13-2021 by Art. 3]]**
- (1) The demolition is:
- (a) A building or part of a building greater than 500 square feet of gross floor area; or
- (b) A monument, statue, or memorial; or
- (c) An accessory building less than 500 square feet of historical or architectural interest; and
- (2) The building or part of a building, monument, statue, memorial, or accessory building was constructed more than 50 years before the date of application for a demolition permit.
- D. Demolition Review Committee. A Demolition Review Committee is hereby established consisting of three persons and three alternates. **[Amended 3-10-2020 by Art. 3]**
- (1) The Demolition Review Committee members shall be appointed by the Select Board to three-year terms, with the initial terms staggered as one-, two- and three-year terms, respectively. The initial terms of alternates shall be staggered as two- and three-year terms, respectively.
- (2) One member of the Demolition Review Committee shall be a member of the Historic District Commission, one member shall be a member of the Planning Board, and one member shall be a representative of the Rye Historical Society.
- (3) If the Town establishes a Heritage Commission pursuant to RSA 673:1 and RSA 673:4-a, the Demolition Review Committee shall be comprised of three members of the Heritage Commission and two alternates appointed by the Chair of the Heritage Commission. If the Demolition Review Committee already exists pursuant to Subsection D(2) above, such appointments shall be made as replacements for the existing Demolition Review Committee members as the terms of the existing members expire.
- E. Demolition review procedure.
- (1) When an application for a demolition permit, or a building permit involving demolition, or a site plan review involving demolition, is made, or a formal written application is submitted to the Building Inspector for a determination under this section, the Building Inspector will determine if the building, or section of the building, meets the criteria of § 190-5.9C. If it does, the Building Inspector shall:
- (a) Notify the applicant in writing within five business days of the filing that the demolition must be reviewed before proceeding and that the delay will not exceed 49 days.
- (b) Within five business days forward the application to each member of the Demolition Review Committee.

- (2) The Demolition Review Committee shall meet within 10 business days after receipt of the application and make one of the following two determinations: **[Amended 3-10-2020 by Art. 3]**
- (a) If the Demolition Review Committee determines that the building is not potentially significant **and its loss will not be detrimental to the neighborhood**, it shall, within three business days of making that determination, notify the Building Inspector of the determination. In such a case, a demolition permit may be issued by the Building Inspector provided all other requirements applicable to the demolition have been met.
- (b) If the Demolition Review Committee determines that the building is potentially significant **and its loss will be detrimental to the neighborhood**, it shall schedule a public hearing within 12 business days of making that determination, and within three days of making that determination notify the Building Inspector of **that determination**. Notice of the public hearing shall be posted in two public places and published at least five days prior to the hearing, not including the day of the hearing or the day of posting. Notice to abutters shall be made by certificate of mailing to all abutters not less than five calendar days before the date of the hearing. **[7-13-2021 by Art 3]**
- (3) Within five business days of the Demolition Review Committee's decision to hold a public hearing, the Building Inspector shall notify the applicant that a sign identifying the building as proposed for demolition and the date, time, and place of the public hearing on the proposed demolition is ready for posting in a visible location on the building or site. Posting of the sign within five business days of receiving notification from the Building Inspector shall be the responsibility of the applicant.
- (4) **At the Public Hearing**, the Demolition Review Committee shall hear all public testimony regarding demolition of the building. The owner or **the owner's** his representative ~~shall be invited~~ **is expected** to attend the hearing.
- ~~(5) During At the conclusion~~ of the hearing, the Demolition Review Committee shall either:
- (a) ~~Notify the Building Inspector in writing within three business days of the decision if the building is found to be not significant, in which case demolition may proceed, provided all other requirements applicable to the demolition have been met.~~
- (b) ~~Hold a meeting between the Demolition Review Committee and the owner (or owner's representative) within 10 business days of the public hearing to discuss alternatives to demolition, if the Demolition Review Committee determines the building is significant and its loss potentially detrimental to the community.~~
- (6) The demolition review process shall not delay the issuance of a demolition permit by more than the 49 days provided by § 190-5.9E(1)(a), except in the following circumstances:
- (a) An owner's (or his/her representative's) unwillingness or inability to meet with the Demolition Review Committee shall extend the period until such a meeting is held and for 20 days following the date of the meeting.
- (b) An owner's delay in posting the sign required by §190-5.9E(3) shall extend the period by the number of days of delay in posting the sign.

F. Demolition.

- (1) If no alternatives to demolition have been identified and agreed to by the applicant, after the meeting provided for in § 190-5.9E ~~(4)(5)(b)~~, the applicant is free to proceed with demolition, provided all other requirements for demolition are met. Prior to demolition, and if the applicant is in agreement, the Demolition Review Committee shall photographically document the building. The Demolition Review Committee shall also encourage the applicant to salvage significant architectural features.
- (2) Nothing in this section shall be construed to prevent immediate demolition where public safety is at stake and the building has been determined by the Building Inspector to be a public hazard and demolition is the only viable recourse.
- (3) A demolition permit shall be conditioned upon receipt of all local, state, and federal permits required for the demolition activity. **[Added 3-10-2020 by Art. 3]**

Re: Substantial Improvement/Substantial Damage

Amendment to the Rye Floodplain Development Ordinance §60-6 Substantial Improvement/Substantial Damage to add a timeframe. (Note: ***New text emboldened and italicized.*** Deleted text ~~struck through~~).

**§ 60-6. Substantial improvement and damage determinations.**

A. For all development in a special flood hazard area that proposes to improve an existing structure, including alterations, movement, enlargement, replacement, repair, additions, rehabilitations, renovations, repairs of damage from any origin (such as, but not limited to, flood, fire, wind or snow) and any other improvement of or work on such structure, including within its existing footprint, the Floodplain Administrator, in coordination with any other applicable community official(s), shall be responsible for the following:

- (1) Review description of proposed work submitted by the applicant.
- (2) Use the community's current assessed value of the structure (excluding the land) to determine the market value of the structure prior to the start of the initial repair or improvement, or in the case of damage, the market value prior to the damage occurring. If the applicant disagrees with the use of the community's assessed value of the structure, the applicant is responsible for engaging a licensed property appraiser to submit a comparable property appraisal for the total market value of only the structure.
- (3) Review cost estimates of the proposed work, including donated or discounted materials and owner and volunteer labor, submitted by the applicant and determine if the costs are reasonable for the proposed work, or use other acceptable methods, such as those prepared by licensed contractors or professional construction cost estimators and from building valuation tables, to estimate the costs.

**ARTICLE 32 (By Petition)** To see if the Town will vote to alter the boundaries of the Town Forest, as established in 1981, utilizing a concise metes and bounds description to be provided by a surveyor and further to authorize the Select Board, Conservation Commission, and the Cemetery Trustees, to alter the location of the Rye Town Forest and to correct the Conservation Easement granted by the Town to the Rockingham County Conservation District on January 29, 2001 (recorded at Rockingham County Registry of Deeds Book 3539, Page 0314) related to the Rye Town Forest, in accordance with the following parameters:

- A. The unwooded portion of the so-called "Perry Walker Tract" that was conveyed to the Town of Rye in 1961 for the purposes of "enlarging the Central Cemetery" will be removed from and unburdened by the Conservation Easement.
- B. The wooded portion of the Perry Walker Tract to the immediate north of the Cemetery Annex (hereinafter the "wooded uplands") will be removed from and unburdened by the Conservation Easement.
- C. The lands identified in Paragraphs A and B will be under the management and control of the Cemetery Trustees.
- D. The Conservation Commission will retain a perpetual easement, 20 feet in width, over the wooded uplands for the red trail and such portions of the orange trail that are within those wooded uplands. The Cemetery Trustees shall have the option in the future to relocate the easement for red trail and orange trail (if the latter is included in the easement area), to along the perimeter of the cemetery lands that are along the existing stone wall adjacent to the Cemetery Annex, provided that the cost for the laying out, grading, and clearing of such a trail shall be paid by the Cemetery Trustees. If the Cemetery Trustees exercise that option, the perpetual easement referenced would be amended to the relocated red trail and/or orange trail.

- E. The trees on the wooded uplands are to remain unless and until that space is needed for cemetery purposes in the discretion of the Cemetery Trustees.
- F. The Cemetery Trustees will consult with the Conservation Commission regarding the location of any cemetery road constructed in the wooded uplands if that cemetery road crosses the red trail, provided that, if the Cemetery Trustees and the Conservation Commission are unable to reach agreement after good faith discussion as to that cemetery road, the Cemetery Trustees shall have the final say as to the location of that cemetery road.
- G. For the avoidance of any disturbance of funerals, signage shall be posted along the red trail at the entry of the cemetery lands identifying that the land is part of the cemetery and stating that “users are advised to exercise proper respect and consideration for funerals and their attendees, ” or words to that effect. The cost of the signage will be borne by the Cemetery.
- H. The Cemetery Trustees will not grade the wooded uplands until it is reasonable and prudent to do so in the discretion of the Cemetery Trustees.
- I. The portion of the Perry Walker Tract located to the south of the Cemetery Annex, largely comprised of wetlands, will remain in the conservation easement, with the exception of the portion of those lands that are presently used by the Cemetery Trustees for storage.
- J. The survey of the metes and bounds description will be funded by the Select Board and Conservation Commission, with the metes and bounds description to be approved by the Select Board, Cemetery Trustees, and Conservation Commission.

Further, to authorize the Select Board, Cemetery Trustees, and Conservation Commission to enter into an agreement formalizing the terms set forth above and to execute any documents and take all other necessary actions related to this Article. (Majority Vote Required)
