

Charge to the Committee

1. To assess current energy use by Town of Rye municipal activities based on currently available information to be provided by Town staff;
2. To evaluate energy conservation and air emission reduction practices recommended by utilities and Federal agencies, and in use by other municipalities, which may be potentially applicable to the Town of Rye operations;
3. To evaluate and recommend energy conservation and air emission reduction alternatives which might be further considered in detail by the Town of Rye;
4. To evaluate and recommend energy conservation and air emission reduction alternatives, which might be considered by individual Rye residents, and recommend actions the Town might take to disseminate information on such alternatives to residents.
