Town of Rye, NH Request for Proposals

Fuel & Heating Oil – 2023/2024

The Town of Rye, NH is soliciting proposals from suppliers interested in providing fuel and heating oil, to the Rye Town Hall, Public Safety Building, Rye Schools, Historical Society, emergency deliveries to Rye welfare recipients, and for the Town of New Castle Elementary School.

Consumption is anticipated to be approximately 52,000 gallons of #2 heating oil; 7,300 gallons of #2 winter blended heating oil; 12,000 gallons of ultra-low sulfur off road diesel and 16,000 gallons of unleaded gasoline.

Deadline for receipt of proposals is **2:00 p.m., Monday, May 22, 2023** in the Town Hall, Selectmen's Office, 10 Central Road, Rye, NH 03870, at which time they will be opened and read aloud. Proposals shall be sealed and marked on the outside "**Fuel Bid**".

Interested parties should contact the Town of Rye, Public Works Department by calling (603) 964-5300 or emailing jrucker@town.rye.nh.us to obtain a copy of the proposal criteria.

The Town of Rye reserves the right to reject any and /or all proposals for whatever reason is determined to be in the best interest of the Town.
