

Rye Mosquito Control Commission

AGENDA

February 11, 2020

Attended by:

Location: Town Hall

Time: 5:00PM

- I. Call to order:
- II. No meeting minutes to approve.
- III. New Business:
 1. Per request from the BOS a submission outlining the RMCC's scope of work and objectives for 2020. See attached. Tom Aspinwall prepared a response to the BOS request and submitted it for consideration to Commissioners Lipman and Sanborn. The consensus was that the RMCC should meet for discussion and approval of the outline. After a vote the commission will forward the outline to the BOS for guidance and possible acceptance.
 2. Terms for present RMCC commissioners. Tom Aspinwall (Chairman) term ends 2020; Tim Sanborn (Vice-Chairman) term ends 2022; Denis Lipman (Member) term ends 2021. Tom Aspinwall will step down as Chairman in April and will stay on for a term of one year or until a new member is selected.
 3. The Rye Civic League has requested that the RMCC post monthly activity reports with them that outline mosquito control measures. It is a new task and the RMCC together with the mosquito control contractor will implement a plan with the goals of better communication and education of Rye residents.
 4. Meeting attendance requirements for the RMCC. I am unaware of any written Town policy governing the attendance of board and commission members. If there is none I suggest that the RMCC discuss and vote on adopting a policy.
- IV. Old Business:
- V. Next meeting date: March 17, 2020
- VI. Motion to adjourn.

Agendas are subject to change up to and including meeting time.
